

GUIDANCE FOR APPRENTICES (Response to Covid-19)

All learner should by now received a letter from Best Choice Training outlining the steps that will be taken with your learning during the spread of covid-19. Best Choice Training closed its doors to learners on the 23rd March 2020 and adapted the approach to teaching and learning through online platforms and the use of technology to continue teaching and assessment for all learners.

The aim is to continue to provide support for all learners to achieve their qualification as planned. All learners will continue to have individualized support through this period to ensure that their education needs are met. The Centre aim to re-commence face to face training once the government indicates that it is safe to do so.
